

Dear Colleagues,

On behalf of the Organizing Committee, we are pleased to announce that the International Symposium "People - Forest - Science" (PEFOSS 2018) will be held from 10th to 12th October 2018 in Sarajevo, Bosnia and Herzegovina. PEFOSS 2018 provides an ideal academic platform for researchers with the aim of presenting the latest research findings, emerging technologies and directions in Forestry and Urban Greenery.

The conference seeks to contribute to presenting novel research results in all aspects, looking at innovations and the future of Forestry in Bosnia and Herzegovina and Europe as well.

The conference Symposium PEFOSS 2018 aims to bring together leading academic scientists, researchers, students and research scholars to exchange and share their experiences and research results about all aspects of Forestry and Urban Greenery. The PEFFOS 2018 Symposium will be an interdisciplinary forum for scientists, engineers and practitioners to present the latest results, ideas, achievements and educational programs related to Forestry and Urban Greenery.

The Symposium Program, with its six sections, focuses on current achievements in research, protection, breeding, exploitation and sustainable management of Forests and Urban Greenery. Particular emphasis is placed on their role in preserving and maintaining human environment and mitigating the effects of climate change.

The PEFOSS 2018 Symposium is one of the events that mark 70 years of existence and successful work of the Faculty of Forestry in Sarajevo, one of the oldest educational institutions in Bosnia and Herzegovina.

We look forward to meet You at the PEFOSS Symposium in October 2018.

Best regards,

Prof. dr. Mirza Dautbašić, Dean

Faculty of Forestry

University of Sarajevo, Sarajevo, BiH

Drage kolege,

U ime Organizacionog odbora, zadovoljstvo mi je obavijestiti Vas da će Međunarodni simpozij „Čovjek – šuma – nauka“ (PEFOSS 2018), biti održan od 10. do 12. oktobra/listopada 2018. godine u Sarajevu, Bosna i Hercegovina. PEFOSS 2018 pruža idealnu akademsku podlogu za istraživače s ciljem prezentacije najnovijih rezultata, vodećih tehnologija i pravaca razvoja u šumarstvu i hortikulturi. Simpozij će dati doprinos u predstavljanju najnovijih istraživanja i dostignuća u svim aspektima, a u svrhu inovacija u razvoju šumarstva i hortikulture, kako u Bosni i Hercegovini, tako i u Evropi.

Cilj Simpozija PEFOSS 2018 je na jednom mjestu okupiti vodeće naučnike, istraživače, studente i ljude iz prakse, omogućiti razmjenu i prenos znanja i iskustava iz oblasti šumarstva i hortikulture. Simpozij PEFFOS 2018 će biti interdisciplinarni forum, za naučnike, inženjere i praktičare na kojem će prezentirati najnovije rezultate, ideje, dostignuća i obrazovne programe vezane za šumarstvo i hortikulturu.

Program Simpozija, sa svojih šest sekcija, fokusiran je na aktuelna dostignuća u istraživanju, zaštiti, uzgajanju, iskorištavanju i održivom upravljanju šumama i urbanim zelenilom. Poseban akcent dat je njihovoj ulozi u očuvanju životne sredine i ublažavanju posljedica klimatskih promjena.

Simpozij PEFOSS 2018 je jedan od događaja kojima obilježavamo 70 godina postojanja i uspješnog rada Šumarskog fakulteta u Sarajevu, jedne od najstarijih visokoobrazovnih institucija u Bosni i Hercegovini.

Radujemo se susretu sa Vama na Simpoziju PEFOSS u oktobru/listopadu 2018. godine.

Srdačni pozdravi,

Prof. dr. Mirza Dautbašić, Dekan
